- 1 table per each booth

2. Is electricity provided?

- Yes. You can use electricity from each booth

3. How much food should be prepared?

- It depends on your booth, but it would be good to prepare for average 100 visitors (more or less)

4. Are international students allowed to be absent from classes?

- OIA can issue the Certificate of Attendance to students who only applied within the deadline, but your attendance depends on the professors. If you need to get the certificate, please visit OIA or send an email to ajouevent@ajou.ac.kr

5. Is there limit for the price per menu?

- It is suggested to be between 1,000 won ~ 3,500 won.

6. Would there be additional time for preparing dishes before the festival?

- Students will be able to prepare food on 11/9 and 11/10(right before the festival) at Student Union building 1

further information will be provided through the orientation.

7. What should we prepare for the booth operation?
- Certain utilities (cups, portable gas stove, containers, spoons, chopsticks, and etc.) will be provided.

Participants are required to prepare for the food supplies and necessary instruments. Several bottles of water will be provided separately.
